Our school strategies are on track to meet or exceed our targets

Our Goals were:
• All students will be either at or above National Minimum Standard or on an Independent Learning Guarantee.
• Increase whole school reading outcomes in 2014
  o all students achieve above school reading level benchmarks for reading (PM and Probe)
  o students who are unable to reach benchmarks will have an intensive evidence based reading program where they will all reach stated goals in 2014

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:
• Building the capacity of Teachers and Teacher Aides
• Diagnose student reading levels with particular attention to students demonstrating difficulties.
• Teacher-Aides to support small groups or individuals according to need.
• Intensive differentiated intervention
• Further consolidate the teaching of Reading strategies
• Embed Whole School Reading Program
